

THE HEIGHTS
OF HARMONY

A NEW CHAPTER IN HARMONY

Project of the Year – 2023 Building Industry and Land
Development Association Award (BILD)

ENJOY LIFE

IN PERFECT BALANCE

Situated in North Oshawa, The Heights of Harmony is an exciting new Master-Planned Community that features a variety of unique architectural townhomes, traditional townhomes and single-family homes. This community is the fulfillment of Minto Communities' ongoing commitment to quality craftsmanship, thoughtful design and sustainable homes. A commitment over 65 years in the making. Close to green space, local shops, trails, restaurants, top-tier education, entertainment, major highways and GO Transit, The Heights of Harmony provides everything you need to enjoy life in perfect harmony.

A Breath of Fresh Air

Located in beautiful North Oshawa, The Heights of Harmony carefully considers the lifestyles of future residents. As a walkable neighbourhood, the community incorporates serene green spaces, a tranquil water feature and gorgeous landscaping interconnected by pedestrian walkways and nature trails.

A brand-new park will anchor the community, while smooth-running streams and a stunning pond will add visual interest, providing ample opportunities for residents to connect with nature. Beautiful open spaces, landscapes of plants and flowers, and places to meet your neighbours will make The Heights of Harmony a desirable community where life-long memories are made.

NATURAL RELAXATION

Fall in love with the gorgeous surroundings at the Heights of Harmony. Here, careful consideration was put into every element of the landscaping, encouraging a calming ambience that immerses you in nature.

WHATEVER THE SEASON

The Heights of Harmony provides homeowners with ample opportunity to enjoy the neighbourhood no matter the season. From picnics to sledding and snowmen, the community will have you active outdoors all year round.

A NEW CHAPTER

IN HARMONY

This new chapter in The Heights of Harmony sets the standard for modern design, flexible floorplans, and quality features and finishes. With over 65 years of experience, Minto Communities has leveraged extraordinary knowledge to create a new community perfectly designed to fit residents' diverse modern lifestyle needs and match the dynamic and welcoming spirit established in the first phase of The Heights of Harmony.

CRAFTED FOR

YOUR LIFESTYLE

Featuring a variety of architectural designs, sizes and types, the homes at The Heights of Harmony are thoughtfully planned with future homeowners in mind. In the award-winning, sold-out first phase of the community, 36' and 43' single family homes with airy open-concept layouts were offered alongside 20' traditional townhomes with modern, spacious floorplans with a backyard and front driveway.

The next chapter of The Heights of Harmony will offer Back to Back Townhomes, a low maintenance option with lots of living space and a front garage, as well as Rear Lane Townhomes, offering a welcoming front outdoor space for residents to enjoy and a garage and driveway tucked away behind the home.

Flex plans are available for all homes, allowing you to tailor your preferred model to perfectly fit your lifestyle.

OUR COMMITMENT

TO SUSTAINABILITY

At Minto Communities, we believe our success is measured by the health and vibrancy of the lives we touch and the environments we create. From green building to community building, from quality living to responsible investing, our commitment to the wellness of people and the planet is an important part of what we do. It's one of the things we're most proud of.

For us, sustainability isn't just about being environmentally conscious. It's who we are. It's about the actions we take to invest in building a sustainable future by consuming

fewer natural resources, minimizing waste and reducing greenhouse gas emissions while providing homeowners with modern spaces to live, work and play in. Wellness and sustainability are our priority today – and will continue to be in the future.

At The Heights of Harmony, we're striving to achieve a host of sustainability objectives, including increasing the extent of tree canopy cover, creating habitat for birds and wildlife, ensuring durable materials are used, and moderating microclimate to enhance homeowner comfort.

Cost Savings

Minto Communities homes offer advanced features that reduce water and energy use without impacting comfort or performance, delivering real dollar saving year-after-year.

Community

It's not just about what's inside your four walls. Living in a connected community with real walkability, plenty of green space, parks and recreation offers more ways to meet with family and neighbours, and promotes a sense of belonging.

Comfort

Homes will have a more consistent, comfortable temperature throughout. Our energy efficient home designs require less heating and cooling than a conventional home, while our sophisticated mechanical systems provide the ultimate in-home comfort.

Health

Superior indoor air quality will be created through the use of healthier materials and finishes, as well as mechanical systems that will introduce fresh air throughout the home, creating a better environment for you and your family.

FEATURES

ENERGY STAR® for New Homes certification means that independent industry professionals verify that your home meets advanced industry standards with a particular focus on air tightness and energy conservation, enabling approximately 20% better energy efficiency.

Water efficient fixtures to help reduce consumption by up to 30% and protect residents from rising utility costs.

Efficient mechanical systems include a **Heat Recovery Ventilation system** that delivers fresh, filtered air throughout the home.

A **high performance envelope** will reduce heating and cooling needs, and provide a consistently comfortable temperature throughout the home. This is achieved through an extra layer of insulation outboard of the exterior walls and attention to detail during construction to ensure that the continuous air barrier delivers better air tightness.

Healthier materials and finishes, such as low VOC paint and **Green Label Plus-certified carpeting**, will improve indoor air quality.

Individual metering of hydro, water, and gas.

Network of trails, ponds, parks and green space that provide easy access to nature and the outdoors.

YOUR FINGERTIPS

Every day, Minto Communities is creating new and innovative ways to help you live better. With the addition of our Smart Home Package in your home, you have control at your fingertips. Every detail has been carefully designed to help streamline your life with the click of a button.

Smarter Home Air Quality Monitoring

Monitor your home's air quality with the smart monitoring system. It prompts homeowners to clean and replace air filters regularly and empowers them to act by raising awareness about air quality.

Smarter Home Thermostat

Create a comfortable environment inside and save money on energy. The Smart Thermostat helps reduce energy consumption by automatically adjusting the temperature with the smart sensor when no one is home.

Smarter Home Video Doorbell with Camera

The video doorbell is activated right when the doorbell is pressed, allowing you to see what is going on outside your home and interact with visitors at your door from anywhere in the world – right from the Enercare Smarter Home mobile app.

FIND IT ALL IN OSHAWA

Situated in a dynamic area that is transforming into a modern, sustainable neighbourhood, The Heights of Harmony provides connection to the conveniences and pleasures of city life within North Oshawa and just a short trip south to the city centre.

Makimono Sushi Bar & Restaurant

Pedestrian-friendly downtown Oshawa

A GROWING CITY

Oshawa is one of the fastest growing areas in Canada, providing an ever-increasing variety of amenities and services for residents.

With a short drive down Harmony Road to Taunton Road East, you'll be able to access a variety of shops, restaurants and entertainment options – everything you need for your home and family. Keep your eye open for local favourites, including Cork & Bean, Brew Wizards, Inspirations Glass & Gifts and more, so you can explore everything Oshawa has to offer. HomeSense, Sport Chek, Winners, Canadian Tire and Giant Tiger are just some of the big-name stores you'll find a short drive away.

EXPLORE ON FOOT

Take some time to wander around downtown Oshawa and you'll discover culinary gems, such as Bollywood Tacos, Avanti Trattoria and Crepe Culture. In warmer weather, you can choose from a number of patios to enjoy delicious food and drinks while catching some rays.

Downtown Oshawa is also home to the Regent Theatre, the Canadian Automotive Museum and the Robert McLaughlin Art Gallery, along with numerous festivals through all four seasons.

LAKEFRONT PARADISE

Oshawa's waterfront along Lake Ontario is a stunning natural paradise of green space, with forests, trails, sandy beaches and wildlife reserves all connected by the Waterfront Trail. That's partly due to the gradual rollout of the City of Oshawa's 2011 Waterfront Master Plan, which envisioned an "Urban Waterfront Jewel connected, sustainable, multifunctional, accessible..."

Here are four of the top waterfront parks in Oshawa, all ideal for day trips:

1

Lakefront Park West

Get out and play ball at any of the eight neatly laid-out baseball diamonds in the corner of this park, or explore along the Waterfront Trail. By bike or on foot, you'll appreciate the outstanding views of the lake, and being surrounded by naturalized landscapes of trees and wildflowers.

2

Pumphouse Marsh Wildlife Reserve

A small, 17-acre coastal wetland, this Reserve is a "Provincially Significant" marsh and barrier beach. You can hike or cycle along the paved trail beneath the towering evergreen trees, look out over the marsh to spot water birds and stroll along the sandy beach.

3

Lakeview Park

Encompassing the fantastic Lakeview Beach, a pier that extends out into the lake, the Oshawa Museum, playgrounds and picnic areas, this is a very popular park for Oshawa residents. It connects by trail to the massive Oshawa Valleylands Conservation Area, which follows Oshawa Creek down to the Harbour.

4

McLaughlin Bay Wildlife Reserve

Just past the Port of Oshawa is this 300-acre Wetlands Reserve, which extends all the way down from Highway 401 to the lake. With trails and observation platforms, this wilderness treasure is known for its significant biodiversity and role as an important staging area for migratory birds.

OUTDOOR BLISS

With so many parks and trails nearby, you can enjoy the great outdoors every day at The Heights of Harmony.

Kedron Dells Golf Club

Cedar Valley Conservation Area

Just a short drive south is Cedar Valley Conservation Area, a beautiful forested park along East Oshawa Creek, where you can bike, hike, and bird-watch.

Harmony Valley Conservation Area

To the east sits Harmony Valley Conservation Area, another large swathe of forest with hiking trails and places to take in the sights and sounds of nature.

Kedron Dells Golf Club

For those who love the links, Kedron Dells Golf Club is close by on 155 acres of the Oshawa Creek Valley. A public course, it offers plenty of challenge for novices and seasoned players alike.

Neighbourhood Parks

Play baseball at Mount Joy Park, or picnic and play soccer at Conlin Meadows Park. Meanwhile, at Edenwood Park, you'll find a basketball court, walking trails, and a kids' playground.
